TO-DAY'S GAMES. Fort Wayne at Wheeling. Toledo at Mansfeld. Dayton at Youngstown. Springfield at New Castle.

The Wheeling team did not arrive from Findlay until 4:30 o'clock yesterday afternoon. In the meantime, Umpire Carruthers had given the game scheduled for Wednesday to Fort Wayne, 9 to 0. When the Wheelings arrived, Manager Lytle kicked, stating that the train on the Ohio Central from Findlay to Columbus had been held three hours between those cities, to be run into Columbus as a state fair special, and as a consequence the team was unable to arrive here from Columbusin time. Lytle has protested the umpire's decision, and President Powis expected to set aside Carruthers decision to-day by wire.

After a lengthy squabble between Glasscock and Lytle on the grounds, it was agreed to play to-day's championship game yesterday. Guese and Poole were the opposing pitchers, and Eddie had clearly the better of it. He allowed the visitors only eight hits, all scattered, except in the sixth, when Miller and Letcher made singles in suc cession. Then Glasscock came up and hit a liner to left. Strang came up for the catch, but was short a foot and the ball rolled to the fence, giving Glasscock a scratch home run, which gave the visitors three runs. Previous to this Wheeling had scored one in the third on singles by Niles, Donahue and

Wheeling won out in the eighth on Dobbs' two-bagger, and outs by Niles and Cote. Then, with two out, Lyons got free transportation, Turner singled and Lytie hit for a corking three-bagger to deep center, scoring the two Strang was the third out, leaving Lytle on third

#### BASE BALL COMMENT.

This afternoon's game will be called at 4 o'clock, on account of the fair. Parvin will pitch for Wheeling and Bra-shler, late of Louisville, will appear on the slab for the Fort Waynes.

The forfeited game of yesterday does not figure in the Intelligencer's standing of clubs, it being pretty near a sure thing the decision will be overturned today by President Power.

### TO-NIGHT'S BATTLE.

Jack McClelland and Joe Hopkins at the Metropolitan Club Will put up the Real Article-Eddie Gardner and Frank Saulsbury for the Preliminary.

One of the most interesting fistic battles ever put on by the Metr. Jolitan club will occur at its Fulton grena tonight. The principals are Jack Mc-Cielland, of Pittsburgh, the acknowledged peer of any featherweight in western Pennsylvania, and Joe Hop-kins, of New York, the colored man of muscle. They are match it to go twenty rounds at 126 pounds, and the large crowd likely to witness the bout will see some fast work. McClelland is the favorite in the betting.

Both men are well known to Wheel-

ing sports, as each was defeated here by Oscar Gardner, and McClelland twice beat Eddie here. McClelland's friends are certain he will last the limit and win the decision, the more sanguine believing he will put Joe out before twenty rounds are gone. On the othtwenty rounds are gold. On the other hand, there are a large number who look to Hopkins to win by a knock out, they asserting with considerable confidence that the colored man will be able to get behind Jack's guards and throw his heavy punches to the stomach, a spot that Jack is none too strong on. At any rate, it should be a corking contest.

test.

There will be a big Pittsburgh delegation at the ringside with McClelland money, and the crowd will be swelled by state fair visitors. The local talent will be there in force as the card is a strong one. Frank Sauisbury, of East Liverpool, will likely be opposed by Eddie Gardner in the preliminary, which is scheduled to go ten rounds.

As Oscar Gradner is in New York, his trainer, i hey Arnold, or P. J. Gavin, may referee the contests.

The preliminary will begin at \$120 o'clock, the main bout an hour later. Jack McClelland, his brother and Billy Corcoran, his manager, arrived last night, and stated that a big crowd will come from the Smoky City to-day. Hopkins and his manager, Fred Fox. got here from New York yesterday afternoon.

A young child of Mra. Walton, of Pittsburgh, who was visiting Mr. and Mrs. Jerry Perry, celebrated its first anniversary yesterday morning in a very-speculiar manner. The child had been placed in the baby buggy and a couple of little children were playing close by. Whether they ran into it or the child upset it itself is not known, but the result is a large gash four inches in length in the child's forehead, caused by coming in contact with a large stone. Eight sittches were required to close the wound.
